Dear Dr. Burleigh,

In 1963 you helped me greatly
by directing me to Joel Munsell's sons
to find the book, The Burley Genealogy,
Deeds of Ipswich - 1880 by C. Burley.

Unfortunately my book has been
lost or misplaced. Do you have any
idea where I might find another.

I have written to Joel Munsell's
Sons in Pleasant Valley, N. Y. but mail
was returned "Deceased." Any help you
could be to me would be greatly
appreciated. Do you still have the
Copy of yours? Perhaps if it
would not be too inconvenient you
could Copy by Xerox or some

I am really most desperate to regain

Thank you for whatever you can
and will do.

Dear Dr. Burleigh,

Your letter and its contents were most welcome in our home. He would be delighted to have your Burley Genealogy Book if you wish to part with it. I paid \$18.75 for our book and so am enclosing a check for \$25.00 which I hope is satisfactory with you. If you like I will send you a check for mailing costs after I receive the book.

Thank you so much. You have added greatly to our Christmas. We hope you and yours have a fine Christmas and healthful New Year.

Sincerely,
Mr. D. B. Burley

Dear Dr. Burleigh:

I am at present trying to follow my family tree and so far have traced back to a William Burleigh who was born about 1799 or 1800, came from Moneymore, Ireland to Moneymore, Ontario in the Township of Hungerford. I understand that you too, have an Irish heritage and have traced your family tree.

Would you be so kind as to send me places in Ireland to write, the names of any books available at libraries which might contain background on the Irish settlers who came during the famine or any general information or points one should know before tackling such a project.

Any help you could be in this matter would be greatly appreciated and if you have any booklets on Moneymore, Ireland available, I would be most interested and willing to pay.

As I mentioned, I am trying but must admit that I am a novice to this type of research, so would appreciate any help you can give.

Yours very truly,

Dear Dr ÷ as I promised
I would inquire about the
the Burling family here
I called up Mrs Ina Benson
a daughter, she said her
father Jason Burling came
from New Hampshire and
that his father's name was
William and at one time lived
in Mass. ~~after~~ coming from
England. There were several
brothers who went west

that were lost track of
this man Jason who is
dead was the youngest.

Now if you are interested
write Mrs Ina B. Benson
Massena and I think she
would be pleased to answer.

With best wishes

I am yours truly
